

PANDU CERMAT, SAMPAI PUN SELAMAT

True road safety starts with being prepared, not just being reminded. 🚗 To celebrate the 2025 Christmas Balik Kampung season, JKR Sarawak and PBH Asset Management teamed up in Pujut, Miri, to introduce a handy vehicle safety checklist for holiday travelers.

From checking tyres and brakes to reminders about seatbelts, speed limits, and resting when tired, the goal is to get everyone road-ready. Under the theme “Pandu Cermat, Sampai Pun Selamat,” the campaign highlights that responsible driving is the best way to celebrate.

The event was led by JKR Sarawak Director, Datu Adj. Prof. Ir. Ts. Gs. Br. PMr. Dr. Cassidy, who met with road users, handed out goodie bags, and distributed helmets to motorcyclists to encourage safer riding.

Through these simple reminders and checklists, the aim remains the same: a safe journey and a safe arrival for everyone.
